

FP 2000

MULTI-MEDIA FINGERPRINT IDENTIFICATION TERMINAL

An absolute Innovation to the traditional T&A system! Attendance checking can also delight you. Moreover, it is also a wonderful advertising media for you company! Multi-Media: Offer you pleasant audio-visual experience by slide showing and video.

- 10.4 industrial TFT true color LCD, Integrated & long life touch screen, Aluminum alloy shell, metallic lacquer
- Anviz optical fingerprint reader. scratch-proof, unbreakable and durable. Well accept all kinds of fingerprints.
- Samsung 400MHZ Arm9 high speed processor, 2007 version stable core module. super performance.
- Embedded WinCE operating system. 3000, 5000, 10000, 50000 (Optional).
- Multiple identification method: Fingerprint only, password only, fingerprint + password, group verification.
- Customer can customize the sound speech and various checking status, support user picture display, short message, play multi-media. local language interface is customizable.
- Support TCP/IP communication. USB flash management, external reader is supported, USB keyboard, printer ect.
- Optional AMJ601 or AMJ602 access controller for separate type secure access control system.
- Support realtime record download and WEB online tracking function, Remote control through internet, server identification ect.

- Integrated touch screen
- ARM9 high speed processor
- Embeded WinCE Operating system

Item	Description
Fingerprint sensor	Anviz Optical Sensor
LCD	10.4 industrial TFT true color LCD
Operating system	WindowsCE
Identification method	FP. PW. FP+PW. Group Identify
Identification time	<=1 Sec
Register Method	Finger, Password (Max.10 FP/person)
Scan Area	15mm*16mm
Resolution	500DPI
Fingerprint Capacity	3000,5000,10000,50000(optional)
Record Capacity	>1 million (depend on capacity of harddisk)
FRR	0.001%
FAR	0.00001%
Standard Port	TCP/IP, RS232, USB HOST, Wiegand26
Working Current	<800mA
Sleeping Current	<300mA
ESD Tolerance	>15000V
Power	DC12V
Temperature/Humidity	-10°C~60°C/20%~80%
Casing material	Aluminum alloy shell, metallic lacquer
Size	290(w)×320(h)×50(d)mm
Color	Silver (customizable)
